Newspaper Club

Allen Winchester
Executive Editor

Joshua Jenkins
Creative Editor

This club has been running since 2019. Our Bethany Chronicles club is a lively place where we are dedicated to creatively voicing our perspectives, informing others about school-related activities, raising awareness on certain global issues, presenting multi-cultural aspects, and essentially connecting students through God's delightful gifts: ink and paper. With the teachers' thoughtful guidance, we have had the opportunity to gain experience in different facets of journalism such as photography, creative writing, data processing, and graphic design. Altogether, it's an energetic after-school club and anyone who is interested should not feel hesitant to enter the next year's registration.

Therefore, as you
received Christ Jesus
the Lord, so walk in
him, rooted and built
up in him and
established in faith, just
as you were taught,
abounding in
thanksgiving.
