Student Information:

Student's Name (Last, First, M.I.) _____

Address _____

City, State, Zip _____

Name of subject desired _____

Bethany's summer school program is student oriented. We provide individual tutoring lessons of one hour each. Students meet with their tutor three times per week and the cost of the lesson ranges from \$15 - \$35. The price is determined by the level of technical difficulty of the needed credit (pre-Calculus costs more than seventh-grade math). Schedules can be arranged around family vacations. Rate of progress is determined by the ability of the student. This arrangement requires the student to do most of the work outside the tutoring session. Tutoring is designed to assist passing students in areas where they are weak, or students who wish to excel in a particular subject. You will be contacted and a schedule will be arranged once we receive your registration form. The registration fee is \$25 and must accompany this form. The registration fee is refundable only if we are unable to supply the class requested.
