Educational Fee: This fee provides for one set of books for a student. Students using multiple grade levels will be charged for additional books. The school retains ownership of all books, but at the end of the academic year, students may remove consumable workbooks assigned to them. A materials fee may be added to some classes. Books damaged beyond normal wear will result in charges.

Tuition: SEVIS students or students attending on a visitor's visa must pre-pay for the academic year or the remaining portion of the academic year before attending classes.

Off-Campus Learning: Off-campus learning experiences are a required part of an accredited educational program. The costs of these off-campus learning experiences are borne by all students enrolled in the participating classes. The cost for this program is **\$425 per year. This fee is for 7-12th grade students only.**

ELL Surcharge: Not proficient students pay a non-refundable surcharge until they are determined to be proficient by the school. Once a student is proficient, this fee is dropped the next school year.

Other Charges: Nonimmigrant students must pay for other fees that all students pay, such as lunch tickets, school field trip charges, piano classes, art programs, and before and after school care. Nonimmigrant students must also reimburse the school for specific charges the school incurs that are directly tied to the nonimmigrant student's involvement with the school, such as FED EX mail service, trips to the airport, or trips to meet with immigration officials.
