As established by the State of Texas, the cost for TEFA students in K4-12th grade is \$10,474. This amount includes registration, tuition, curriculum, and off-campus education. As part of the \$10,474, a student has \$3,324 available for qualified expenses such as lunch tickets, after school care, P.E., field trips, or tutoring.

The daily charge for students is \$62 per school day.

Please be fully aware of the laws pertaining to TEFA, as well as the educational services paid for by TEFA. The school must comply with all of the regulations for TEFA and requires recipients of TEFA to do the same.

After tuition, books, and off-campus education has been deducted from \$10,474, each student has a remaining balance of \$3,324 which is available to pay for covered services at standard Non-TEFA prices. (Please see the NON-TEFA Schedule of Fees for customary charges.) When the \$3,324 is used up, the student will be charged the same amount as NON-TEFA students. For example, if a student has used up the full \$3,324 on covered expenses, such as Before or After School Care and tutoring, then they must personally purchase lunch tickets for \$5 each, etc.

Additional Charges: Bethany charges for sending transcripts, I.D. badges, replacement of lost books, Student Handbook violations, tardies, cell-phone violations, excessive detentions, etc. Texas determines which educational expenses are covered by TEFA. The student's account will be billed for charges not covered by TEFA, and the account must be cleared by the 11th of the month to avoid late charges.

Refunds: Texas does not allow monies paid to the school to be returned to the student or the student's family.

Please keep a copy of this sheet for your records. The State of Texas sets financial policies for TEFA students. The Board establishes financial policies not covered by TEFA funds. There will be no variance from the policies set by the Board without written authorization from the principal. **I have received, read and understand this Schedule of Fees, including the section regarding refunds and penalties. I understand that TEFA monies may not cover all of my student's expenses. I understand that the TEFA law is new and it may be necessary to make adjustments to the program.**
